General Kagame, Karenzi & Co track records of assassinations, abductions and related failed attempts.

By René Claudel Mugenzi

In the wake of the arrest in London of the Director of the Rwandan National Intelligence and Security Services, Lt General Karenzi Karake for crimes against humanity and war crimes, a researcher at the [Global Campaign for Rwanda's Human Rights](#) produced an

info-graphic map demonstrating the Rwandan intelligence services and Rwandan military track records from 1994 in assassinations, assassination attempts, abductions, abduction attempts and disappearances.
