## Rwanda's Spy Chief Emmanuel Karenzi Karake Arrested In The UK At Spain's Behest.

KIGALI, Rwanda (AP) — A Rwandan military general was arrested at London's Heathrow Airport and will appear in court later this week, British police said Tuesday, prompting an angry response from Rwandan leaders.

Police said the warrant for Emmanuel Karenzi Karake, head of Rwanda's intelligence and security service, was made on behalf of authorities in Spain.

Karake, a close ally of Rwandan President Paul Kagame, was one of 40 members of the Rwandan military indicted in 2008 on charges of terrorism and genocide by Spanish national Court Judge Fernando Andreu.
